## *Fast Facts and Fun ... from*

---

It's been 15 years now since the "new" Bibb opened our doors. And, 20 years since I sold Bibb and Associates to Kiewit. It was hard starting over from scratch, then trudging thru a worldwide recession and a couple business cycles.

But, we've come a long ways working with old friends and making new ones. I tell the young folks, "Business is adult sports. There are winners & losers. And, much more is at stake than a plastic trophy."

I do love it and all the people we get to work with, even our friendly competitors. The best is yet to come! Onward & upward.

Here's a peek at what we've done so far in our national Power & Industrial Divisions. Don Gardner leads our KC Regional Architecture & Facilities Division. Thanks, for your friendship & support.

PEACE, LOVE, HARMONY, HARLEYS & ROCK 'N ROLL FOREVER,
